According to Pezzuto, "Of all the plants we've tested for cancer chemopreventive activity, this one [resveratrol] has the greatest promise" (Pezzuto 1997).

His agency has also asked for federal funding for 13 new projects, he said.

The waiter ran back and found out the sauce did have peanuts.

Pulmonary hypertension (high pressure in the blood vessels of the lungs) is a serious complication of sickle cell disease and a main cause of death.

Unfortunately, it's become more and more expensive.

This represents only a small portion of our current order backlog.

On Thursday after taking multiple partners in the spokeswoman for Peace, May 26-June 2, 1969

They are the main cause of death.
